

# Highlands Community Club

The HCC makes our community a great place to live by sponsoring services such as this directory, a monthly newsletter, social events such as dinners and parties with live music, and donating to charities suggested by HCC members. Membership is open to all residents, i.e., *both owners and renters*. Your \$12 annual membership *entitles you to lower entry fees* at most HCC sponsored events. If you aren't already a member, contact any HCC board member.
